Secretary/newsletter editor/web master—Richard Rittmiller (909) 984-0583

Assistant Secretary / News letter editor — Carolyn Hodge (951) 781-8448

## **October Newsletter**

Start Time: 08:52

Members in attendance: 14

**Secretary Report:** More updates on the web page. We need articles to place in web page, building tips, product reports etc. etc.

**If you have moved or changed your Email address please let me know.**

If you would like to contribute to the newsletter you can either Email me or send me a letter with the item or items you would like to have published in the newsletter or on the web site. I'm always looking for more content for the newsletter and the web site.

I had stated in the last newsletter that the trailer was free, well, I was wrong the trailer will cost the club \$400.00. It was mentioned that if anybody else has a source for a trailer and it is available for the same price feel free to pursue it.

**Club meeting itinerary:** None at the moment!

**Up coming Event(s):**      **October 12 .....Trainer race ..... Club Field**  
   **October 12 ... Officer nominations ... Club Field**  
   **October 12 ... 2009 Calendar of Events ... Club Field**  
   **October 26 ..... Warbird Races ..... Club Field**

**Old Business:** The weeds are starting to take over the field and the runway. When ever you come out if you have a flat blade shovel and a broom take a little time and chop down and remove some of the weeds. The installation of grass in the infield has been postponed until Oct – Nov because of the heat. It was proposed to install winter rye grass.

**New Business:** The AMA Ontario Convention is coming up in January 9 – 11. The club has decided to attend again and to raffle off another trainer. The people attending the booth for the club will be Rick Ogden, Pat Morgan and Tom Bright. If you would like to help out at the booth feel free to come on by.

I asked for feedback on the breaks being taken during the races and everybody is pleased with the results so we will keep the breaks between heats during the races.

Speaking of races it was bought forward for a vote by Leon Sylvester that we include Tail dragger aircraft and wheel pant equipped aircraft. Both proposals passed so we will be including these aircraft in the Trainer races.

If you have noticed the tables in the picnic areas are now painted. This was done by Henry Grenier so we all need to give him a BIG thank you.

**Event Report:** None this month.

**New member(s):** Tim Green, lets welcome him to the club.

**Model of the Month:**

Terry Talkington's Bridi Big Bee. Terry has named his bird "The Lumber Yard" it is powered by a Zenoah G-38 engine and controlled by Hitec HS-645MG servos. It is equipped with the stock muffler and the sound level is not very high. It flies pretty well from what I could see, and this was its first flight. Terry was a happy camper after the first flight.

---

**Soloed Pilot(s): None this month.**

---

**Raffle:**

New member Dave Miles won the Great Planes P-51 ARF donated by Jim

Wilson.

I won the micro GT-40 RC car that was donated by Tom Bright.

The winning tickets were drawn by Deanna Bass shown here looking good as always.

---

**Meeting ended: 09:34**

---

**Hints and Tips: Nothing this month.**

---

**Product Review: None this month.**

---

**For sale/Wanted:**

**Car top aircraft or ? carrier.**

This fits on the top of your car. It was used on a Honda Civic hatchback but it will fit any size car of the same size or larger. This is built with welded aluminum framework with plywood outer sheathing. It has rubber feet so that it will not damage the top of your car and a locking latch to protect the contents of the box. Box size: Outer dimensions Length 66", Width 42" and Height 21". Inner dimensions: Length 54", Width 39 1/2", Height 13".

Asking \$200.00 plus shipping.

Contact Richard Rittmiller at 909 984-0583 or at Ramboamt@verizon.net

## Snellflight Hoverfly Helicopter.

This is an indoor miniature electric helicopter. Comes with its own power supply that is attached via a cable to the transmitter adaptor that attaches to your transmitter or you can use the supplied "Flight pad" controller. New in box. Box opened to photograph.

Sold for \$300.00 Asking \$150.00 OBO.

Contact Richard Rittmiller at 909 984-0583 or at [Ramboamt@verizon.net](mailto:Ramboamt@verizon.net)

## Byron Gee Bee R1

This is the Original Byron Originals Gee Bee R1 racer that is NEW in box only opened to check contents. This is the deluxe kit that has the oleo struts for the landing gear.

Asking \$1400.00

Byron Stagwing beech, almost ready to fly. Robart landing gear installed. In primer coat paint.  
\$1400.00

Byron F-16 ARF in Thunderbird colors. It needs some repair, the L/H wing is broken in half and the nose cone is broken off also. They can be easily repaired. This was hangar rash only **NOT** crash damage. It has the engine, fan unit and servos installed. \$850.00

Byron F-16 Kit, just the kit with sparrow hawk rocket kit \$800.00.  
I also have an engine and fan available for it. \$400.00 for both fan and engine, not the kit.

2 Byron BD-5J. ducted fan kits. 1 = \$800.00 basic kit and 1 = \$1200.00 deluxe with motor and fan unit.

Byron P-40 kit. \$1200.00

Contact Richard Rittmiller at 909 984-0583 or at [Ramboamt@verizon.net](mailto:Ramboamt@verizon.net)
