April 2015

Hello fellow flyers, our regular April meeting will be on Thursday April 9th at 7:00pm. We will be talking about our recent participation at the Highland Citrus Festival, the fun Fly that's taking place on the 11th and also Highlands upcoming Trail Day on the 18th. Also there will a continued conversation about repairs to the runway.

Next Meeting will be on May 14th.

Review of last month

Last month we talked about the Highland Run. It went off without a hitch. Also the club had its booth set up at the Highland Citrus Festival. And there was some progress on what will be done to fix the runway.

In Remembrance

This past month we lost a fellow flier. Ray Stifler, passed away at home in his sleep on March 9th. And he had a small service at Hillside Memorial Park. There were a few members from the club that attended his service. He had a tremendous love for the hobby and he will be greatly missed.

In late April or early May an email and txt message will go out letting you know of when and where, if you are interested, you will have a chance to purchase airplane kits, glow engines, HO trains and cars and plastic model kits. These items are from Ray's estate and the proceeds will help repay his family for funeral cost.
