## Special Thanks to Terry Steir

The M.A.R.K.S. membership wishes to recognize Terry Steir for his outstanding work in creating and maintaining our original website. Terry's pioneering work got our club into the digital age and made it much easier for us to communicate rapidly with our membership. Terry always maintained the site with fresh material and made sure that our "digital newsletter" was posted promptly - usually within minutes of us sending it to him.

Thanks, Terry, for your contribution to the M.A.R.K.S. club and for volunteering so much of your time. (Our new website can be found at ***rcmarks.com***)
