## *Greetings from your President;*

I have a couple of guests already lined up for next year. If you have someone you think would be good for our meeting let me know about it.

We are going to start the monthly night fly in the spring. The exact dates to be announced. And of course we will have another great BBQ event.

This is just a few of the things I hope that we can do together as a club.

So keep putting them in the air my friends.

## **Meeting Notes;**

The December meeting was our annual Christmas party. Everyone that attended had a great time. We had a lot of great tasting food prepared by Cap'n Cookie Cutter. Here are some of the pictures from our party I hope you enjoy them.

## **Getting Ready;**

Hello Members,  
Greetings members,

Well our year is at the end, as stated in my last message we had a great year. So looking forward to 2012, we have some great events scheduled for the next year.

First off, in a couple of weeks is the AMA convention. We have a small group of members manning the booth and as before we can never have enough members representing our club.

Also at our first meeting in January we have our Club elections so come and make your vote count. Hey maybe you might want to hold a position in the club! Like me, you can do it for the great pay!!! We will be having the 50-50 and door prizes at all our meetings. The more members that we can get to our meetings the bigger and better the prizes get.
