December 2014

Here we are in December, it's hard to believe the year has come and gone. The club has had a lot of good things going on. Fun flies, night flies, winter festival, Highland run, field clean up and maintenance, and some special speakers at the meetings.

Green spot road is completed and there is a new entrance. It's not as obvious as the old entrance. But it has our sign, so if you haven't been out there in over a month take it a little slower and keep an eye out. And don't worry, same key to unlock the gate.

There has been a new improvement made to the field. Jeff has made and installed a BBQ for all members to use. It is like the ones you would see at a park. So, if you're interested in cooking up some burgers or dogs or even a steak. Bring some charcoal and get your eat on. Just remember to keep it clean, and to take care of the hot coals.

Next Meeting will be on the 11th.

It's the Club Christmas party. The party/Meeting starts at normal time, 7pm, but feel free to show up a little early to give a helping hand or just to enjoy the atmosphere. It's \$10 to

enjoy the food that Jim will be cooking. There will be a raffle for gifts. And feel free to bring you own beverage like Beer, wine...etc. There is also a gift exchange, if you would like to participate, \$20 limit.

Well, hope to see you all at the next meeting. And have a Happy Holiday.

Upcoming events

January- AMA Show 9th-11th

February- Highland Run

And if anyone is interested in going float flying, contact Sanford.
