## Redlands Airshow May 7

### MARKS to Fly R/C Demonstrations

MARKS members will participate in flying demonstrations this weekend at the Redlands Airshow. Members are invited to bring their aircraft to show in static displays and fly during the R/C demonstration, space permitting. George is requesting that we arrive at 7:00 am to set up our display, and he suggests bringing chairs and EZ-ups if you have them.

**NOTE: TO PREVENT RADIO INTERFERENCE, THE GREENSPOT FIELD IS CLOSED TO ALL FLYING ON MAY 7.**

## Warbird Rally June 4

Our annual Warbird Rally will be held on Saturday June 4 at the Glen Helen flying site. All military-themed aircraft are welcome to participate including ARFs, Jets, and Fun-Scale warbirds.

This is NOT a scale competition and you need not have a scale warbird to participate in the fun. You just have to have an airplane that has some resemblance to a military aircraft of any type, from any era. The flying will be of the fun-fly variety, giving you a chance to show off your aircraft to the crowd and to your fellow warbird enthusiasts.

Be sure not to miss this popular event. It is a great fund-raiser for our club and a fun day of flying.

There will be no race at either of the MARKS sites in June due to the annual Warbird Rally which will take place on Saturday, June 4 at Glen Helen.
